

PROVIDING FOR CONSIDERATION OF H.R. 4241, DEFICIT
REDUCTION ACT OF 2005

NOVEMBER 17 (legislative day, NOVEMBER 16), 2005.—Referred to the House
Calendar and ordered to be printed

Mr. PUTNAM, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 560]

The Committee on Rules, having had under consideration House Resolution 560, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 4241, Deficit Reduction Act of 2005, under a closed rule. The rule provides two hours of debate in the House equally divided and controlled by the chairman and ranking minority member of the Committee on the Budget.

The rule waives all points of order against consideration of the bill. The rule provides that the amendment printed in this report shall be considered as adopted. The rule waives all points of order against provisions in the bill, as amended. The rule provides one motion to recommit with or without instructions.

Section 2 of the rule provides that, notwithstanding the operation of the previous question, the Chair may postpone further consideration of the bill to a time designated by the Speaker.

Section 3 of the rule provides that after passage of H.R. 4241, it shall be in order to take from the Speaker's table S. 1932 and to consider the Senate bill in the House. The rule waives all points of order against S. 1932 and against its consideration. The rule provides for a motion to strike all after the enacting clause of S. 1932 and to insert in lieu thereof the provisions of H.R. 4241 as passed by the House. Finally, the rule waives all points of order against the motion to strike and insert.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 4(a) of rule XIII (requiring a three-day availability of the committee report). The waiver is necessary because while the Committee on the Budget filed its report (H. Rept. 109–276) on November 7, 2005, the printed version of the report was not available until November 16, 2005.
